

Pipe Foreperson – Topsham, ME

Crooker Construction is looking to hire a safety focused candidate with a strong work ethic and proven years of experience to be a Pipe Foreperson.

The Pipe Foreperson, along with a crew of one to three employees, will be responsible for ensuring efficient and quality work relating to installation of storm drain systems, water systems, and sewer systems.

Responsibilities will include, but not be limited to; reading plans, project layout, traffic control, calculating and ordering materials, communicating with other employees, coordinating with subcontractors, conducting project safety meetings, directing the crew, and operating heavy equipment to excavate, backfill, grade, and install pipe.

Qualified candidates are organized and experienced in leading and training employees to complete projects within established guidelines and time frames.

The position is full time, seasonal. Year-round work may be available based on an individual's desire to work year-round, the winter workload, and his/her skillset.

Requirements for all candidates:

- Must have working knowledge of all OSHA standards and requirements.
- Must have a strong work ethic and desire to complete projects as outlined in project contracts.
- Must enjoy working in a team environment and be willing to assist and train less experienced crew members.
- Solid math and layout skills
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekends
- Must have a valid driver's license (CDL A or B is preferred)

Benefits:

Home every night, no overnight travel.

Vacation, holidays, health & life insurance, dental, 401k and profit sharing, boot reimbursement, and more.
