

Paving Equipment Operators – Topsham, ME

Crooker Construction is looking to hire an employee to work on the paving crew operating one of the several pieces of equipment included in the paving train. Paving train equipment includes a paver, running wheel, and asphalt rollers.

The selected candidate will have a primary role on one of those pieces of equipment but will also have the opportunity to cross train on other roles to allow for back-up and job rotations.

The right candidate must be safety conscience, have a strong work ethic, and be eager to work as part of a team. As part of a crew, everyone is responsible for the safe operation and completion of the project.

Previous experience on a paving crew is preferred. Crooker is willing to training the right candidate who has other equipment operating experience.

The position in full time, seasonal. Year-round work may be available based on an individual's desire to work year-round, the winter workload, and his/her skillset.

Requirements:

- Must have a strong work ethic and be eager to learn
- Must enjoy working in a team environment and be willing to assist other crew members
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekends
- Must have a valid driver's license. A CDL license would be a plus

Benefits:

Vacation, holidays, Health & Life insurance, dental, 401k and profit sharing. Home every night. No overnight travel.
