

Fuel Truck Driver

Crooker Construction is looking for a safety conscious candidate to join the team as Fuel Truck Driver. The position is responsible for the safe operation of the fuel truck while driving to the various job sites to fuel all the equipment and other diesel trucks.

Class B CDL license with tank and hazmat endorsements is required.

Primary responsibilities will include, but not be limited to; safe operation of the fuel truck, safe loading and unloading of the fuel hose, climbing construction equipment to access fuel tank, communicating with the Truck Dispatcher, and communicating with equipment operators and on-site Project Managers and Supervisors to understand fueling needs.

The position is based in Topsham and is a full-time, year-round role!

Requirements

- Must be able to climb all construction equipment (excavations, loaders, dozers, skid steers, etc.) in order to complete the fueling.
- A minimum of 1-2 years of experience is preferred.
- Working knowledge of the Federal Motor Carrier Safety Administration regulations.
- Must be able to work early mornings, long days, nights, and/or weekends.
- Must have a valid Class B Commercial Driver's License (CDL) with tank and hazmat endorsements.
- Previous experience with a heavy construction and paving company is preferred.

Benefits

Home every night, no overnight travel!

Vacation, holidays, Health & Life insurance, disability insurance, dental, 401k and profit sharing, safety boot allowance, employee assistance program, career growth opportunities, and more!
