

Aggregate Crusher Operations – Topsham, ME

Crooker Construction is looking to hire a safety focused candidate with a strong work ethic to join our Aggregate Crushing Operation Team. The selected candidate will be part of the crushing production team which focuses on producing a variety of aggregate products to meet the specific project demands of internal construction projects as well as outside customers.

The right candidate must be focused on being safe, have a strong work ethic, and be eager to learn in order to produce a high-quality finished product. We are willing to train the right candidate.

Key responsibilities will include, but not be limited to; general laboring, daily maintenance, working on the ground around the crusher, operating the primary crusher controls, operating the secondary crusher controls, following direction of the Foreperson for daily tasks and expectations, performing daily pre-and-post work inspections of crusher parts, assisting with blasting duties at the quarry, and operating small equipment such as skid steers.

Previous experience working in an aggregate crusher environment is preferred but not required as we are willing to train the right candidate.

This is a full time, year-round position.

Requirements:

- Must have a strong work ethic and be eager to learn
- Knowledge of aggregate materials and crushing methods is beneficial
- Must enjoy working in a team environment and be willing to assist other crew members
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekends
- Must have a valid driver's license. CDL license is a plus

Benefits:

Vacation, holidays, Health & Life insurance, dental, 401k and profit sharing.
Home every night - no overnight travel!
