

Construction Mason Laborer – Topsham, ME

Crooker Construction is looking to hire safety conscience candidates with a strong work ethic to work as Construction Mason Laborers on earthwork and roadway construction projects.

The Mason Laborers will work as part of a team to fabricate, alter, repair, and maintain manholes and other underground concrete structures and surfaces in roadways and site projects. Responsibilities while completing this will work include, but not be limited to;

- participating in morning safety huddles,
- following plans,
- preparing surfaces prior to beginning work,
- laying blocks or bricks,
- mixing cement using cement-mixing equipment and/or hand tools,
- cutting/breaking bricks and concrete using hammers, powered abrasive saws, paving breakers, drills, and/or hand tools,
- removing excess mortar with trowels and hand tools,
- finishing mortar joints with jointing tools, for a sealed and uniform appearance, and
- communicating with the onsite supervisors and crews.

As part of a crew, everyone is responsible for the safe operation and completion of the project.

Positions are full time, seasonal. Year-round work may be available based on an individual's desire to work year-round and his/her skillset.

Requirements:

- Must have previous construction experience
- Must have a strong work ethic and be eager to learn
- Must enjoy working in a team environment and be willing to assist other crew members
- Must be willing to work the necessary schedule which may include long hours, nights, and weekends
- Must have a valid driver's license. A CDL license would be a plus

Benefits:

Vacation, holidays, Health & Life insurance, dental, 401k and profit sharing. Home every night. No overnight travel.
