

Excavator Operator – Topsham, ME

Crooker Construction is looking to hire an experienced, skilled, and safe **Excavator Operator** with the ability to operate an excavator efficiently under a variety of working conditions. The excavator operator could be assigned to a variety of tasks including, but not limited to; excavating site projects in preparation for foundations, digging for utility installations/repairs, backfilling aspects of a project, and other work necessary to complete earthwork site projects.

The right candidate must be safety conscience, have a strong work ethic, and be eager to produce a high quality finished product on a project.

Key responsibilities will include, but not be limited to; safe and efficient operation of the excavator, following direction of the Foreperson for daily tasks and expectations, performing daily pre-and-post work inspections, and assist in training less-experienced employees on the proper operations of equipment to help them further their abilities.

Previous experience operating an excavator is a must.

This is a full time, seasonal position. Year-round work may be available based on an individual's desire to work year-round, the winter workload, and his/her skillset.

Requirements:

- Must have a strong work ethic and be eager to learn
- Knowledge of materials, methods, and tools used on a construction project
- Must enjoy working in a team environment and be willing to assist other crew members
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekends
- Must have a valid driver's license. CDL license is a plus

Benefits:

Working with a great crew! Minimal travel.

Medical and dental insurance on day one, paid time off, paid vacation, paid holidays, company paid life and disability insurance, 401k with company match and profit sharing, boot reimbursement, and more.
