

## Shop Foreperson – Topsham, ME

Crooker Construction is looking for a safety conscious and organized candidate to join the Crooker team as a Shop Foreperson in our mechanic shop. The position will be based in the Topsham shop but travel to other Crooker facilities and job sites may occur on occasion.

The primary focus of the role is to lead and guide the great Mechanics working at Crooker to complete maintenance, repairs, and inspections on our dump trucks, pickup trucks, and heavy equipment. The Foreperson will work and communicate with the Operations Manager, General Superintendent, Paving Superintendent, Truck Foreperson, and other leaders to understand and prioritize the work to complete within the shop.

Throughout the day the selected candidate will assign tasks to the Mechanics, assist with troubleshooting, and complete evaluations of trucks and equipment. The work will require a large amount of teamwork and collaboration. Other duties include but are not limited to developing repair plans for trucks/equipment, preparing estimates, and creating and executing on schedules of machines in the shop.

A CLD driver's license, and welding/fabrication skills are a plus. This is a full-time, year-round position.

### Requirements:

- Previous heavy mechanic experience
- Positive attitude
- Demonstrated leadership skills
- Strong communication skills
- Proficient computer skills
- Strong organizational skills
- Must be able to work the necessary schedule which may include long days, nights, and/or weekends

### Benefits:

Working with a great team, paid time off, paid holidays, boot reimbursement, group health and dental insurance starting on day one of employment, 401k with company match, profit sharing, short and long term disability, life insurance, and much more!

### To apply
