

## Construction Field Superintendent – Topsham, ME

Crooker Construction is looking to hire experienced, hard-working, and dedicated candidates to manage crews and oversee and coordinate the successful completion of earthwork construction projects. The scope and scale of the assigned project and the size of the crew will vary.

Completing projects is always done in partnership and collaboration with other contractors onsite, crew availability, the General Superintendent, and Project Managers to develop and maintain project schedules.

While completing the project responsibilities will include, but are not limited to, ensuring the safe operation of everyone onsite, working around underground utilities, conducting project meetings, coordinating project schedules, coordinating as a subcontractor, supervising Crooker crews onsite, reading plans, project layout, calculating and ordering materials, determining project quantities for payment procedures, communicating with other employees, completing required paperwork, and assisting with other project requirements as necessary.

Qualified candidates are organized and experienced in leading and training employees to complete projects within established guidelines and timeframes. The ability to plan ahead regarding resource needs (materials, equipment, crews, etc.) is extremely important.

This is a full-time position. Year-round work may be available based on an individual's desire to work year-round, the winter workload, and the selected candidate's skillset.

### Requirements for all candidates:

- Must have working knowledge of all OSHA standards and requirements
- Must have a strong work ethic and desire to complete projects as outlined in project contracts
- Solid math and layout skills
- Experience with GPS survey equipment is preferred
- Must enjoy working in a team environment and be willing to assist other crew members
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekend
- Must have a valid driver's license (CDL A or B is preferred, but not required)
- 7-12 years of construction experience is required

### Benefits:

Home every night, no overnight travel.

Medical, vision, and dental insurance on day one, paid time off, paid vacation, paid holidays, company paid life and disability insurance, 401k with company match and profit sharing, boot reimbursement, and more.
