

### **Auto Body Painter**

Crooker Construction is looking for an experienced candidate with a focus on safety to join the team with the main focus of Auto Body Painter, but also have skills in mechanic and welding work. The position will be responsible for painting pickup trucks, dump trucks, tractors, and heavy equipment.

A Class A CDL license is preferred for moving trucks and equipment in and out of the paint bay.

Primary responsibilities will include but are not limited to; using paint sprayers and brushes to apply paint, removing rust and other debris from surfaces to be painted, filling cavities and dents in vehicles to crew an even surface, and masking or taping off details and components to avoid contamination.

When no paintwork is available, the selected candidate will be required to work in the mechanic shop doing light mechanical work or assisting with welding needs. Previous mechanical and welding experience is strongly preferred.

The position is based in Topsham and is full-time, year-round.

#### **Requirements:**

- A minimum of 1-2 years of auto body painting.
- Welding experience is preferred.
- Mechanical experience is preferred.
- Must be able to work the necessary schedule which may include long days, nights, and/or weekends.
- Previous experience with a heavy construction and paving company is preferred.

#### **Benefits:**

Vacation, holidays, Health & Life insurance, dental, vision, 401k, and profit-sharing. Home every night. No overnight travel.
