

Service Truck Mechanic – Topsham, ME

Crooker Construction is looking for a safety conscious candidate to join the team as a Service Truck Mechanic to work as part of our mechanic staff. The position will be based in Topsham but will require regular travel to all facilities and job sites in the greater Topsham area.

The position will be responsible for services, preventative maintenance, and basic hose repairs and replacements on the equipment and trucks in the field. Most of the work will be done independently but there are times when work may be required to be completed as a team for more complex maintenance projects.

Crooker is looking for a candidate who is motivated to stay on track and be able to work alongside operators, forepersons, and crews in the field while completing the service needs.

Welding, and fabrication skills are a plus. The position is full-time, year-round.

Requirements:

- Must have basic mechanical ability
- Must have a valid commercial driver's license class A or B
- Basic computer skills to run scanning machines
- Must have good communication skills
- Must be able to work independently and successfully switch between tasks throughout the day
- Must be able to work the necessary schedule which may include long days, nights, and/or weekends

Benefits:

Working with a great crew! No overnight travel.

Medical and dental insurance on day one of employment, paid time off, paid vacation, paid holidays, company paid life and disability insurance, 401k with company match and profit sharing, boot reimbursement, and more.

To apply:
