

Tire Technician – Topsham, ME

Crooker Construction is looking to hire a safety-focused and experienced Tire Technician to manage the changing of tires for pickup trucks, heavy dump trucks, and heavy construction equipment such as loaders. The Tire Technician will be responsible for dismounting and mounting tires, cleaning hubs and wheels for corrosion, repairing tires, balancing tires, torquing lug nuts to correct specifications, keeping the tire shop clean and organized, and working with the shop team to submit orders for new tires.

Most of the work will be done at the Topsham yard but the selected candidate will also need to travel to job sites to complete tire repairs and replacements in the field.

When the tire work is caught up, the selected candidate will spend their time welding in the weld shop or assisting with vehicle repairs in the mechanic shop based on the selected candidate's skills.

This position is full-time year-round. During the winter, the employee will be assigned snow removal duties as part of a snow crew.

Requirements:

- Must be dependable
- Must have good communication and documentation skills
- Must be able to work independently and successfully switch between tasks throughout the day
- Must be able to work the necessary schedule which may include long days, nights, and/or weekends
- Must have a valid driver's license, commercial driver's license class A or B is preferred
- Previous experience changing and installing tires is required

Benefits:

Working with a great crew! Minimal travel.

Medical, vision, and dental insurance on day one, paid time off, paid vacation, paid holidays, company-paid life and disability insurance, 401k with company match and profit-sharing, boot reimbursement, and more.
