

Grader Operator – Topsham, ME

Crooker Construction is looking to hire an experienced, skilled, and safe Grader Operator with the ability to operate a grader efficiently under a variety of working conditions. The grader operator will be part of a team, responsible for fine grading to specific grades.

The right candidate must be safety conscience, have a strong work ethic, and be eager to produce a high quality finished product on a project.

Key responsibilities will include, but not be limited to; safe and efficient operation of a grader, following direction of the Foreperson for daily tasks and expectations, performing daily pre-and-post work inspections, and assist in training less-experienced employees on the proper operations of equipment to furthering their abilities.

Previous experience operating a grader is a must and the selected candidate must be able to check and confirm grade calculations.

This is a full time, seasonal position. Year-round work may be available based on an individual's desire to work year-round, the winter workload, and his/her skillset.

Requirements:

- Must have a strong work ethic and be eager to learn
- Knowledge of materials, methods, and tools used on a construction project
- Knowledge of GPS, or willingness to learn
- Must enjoy working in a team environment and be willing to assist other crew members
- Must be willing to work the necessary schedule which may include long hours, nights, and/or weekends
- Must have a valid driver's license. CDL license is a plus

Benefits:

Vacation, holidays, Health & Life insurance, dental, 401k and profit sharing. Home every night. No overnight travel.
